

## Accommodation Cancellation Policy

Mastercard and Visa are accepted. Credit card details will be required to secure your reservation.

**Cancellations:** Cancellations affect our business significantly as we have often turned away other customers to hold your reservation.

As most people book holidays well in advance, it is often difficult to replace a reservation at late notice and for this reason our policy is strictly adhered to. Reservations are not transferable.

Cancellations received over 30 days of commencement of the reservation will receive a full refund.

Cancellations received within 30 days of commencement of the reservation will be charged 50% of the total booking.

Cancellations received within 7 days of commencement of the reservation will be charged 100% of the total booking.
